TONIGHT'S LITTLE PLAN

SIMPLE IDEAS. MEANINGFUL MOMENTS.

1 SET THE SCENE

Choose a few (or do them all).

- ☐ Light a candle
- ☐ Turn off the overhead lights
- ☐ Put on a favorite playlist
- ☐ Grab the good glasses
- ☐ Add blankets or pillows
- ☐ Set out fresh flowers - even a small bouquet makes a difference
- ☐ Put the phones away

A few small changes can make an ordinary night feel special.

2 SOMETHING DELICIOUS

Keep it simple and choose what feels good.

- ☐ Create a snack board from what you have
- ☐ Make a favorite recipe together
- ☐ Pick up a dessert
- ☐ Open a special bottle of wine (or something you love)
- ☐ Order one favorite appetizer
- ☐ Pop popcorn and add a few treats
- ☐ Keep it effortless and go with whatever sounds good

PICK SOMETHING TO DO

Choose one (or make up your own).

- ☐ Blind taste-test three snacks or drinks
- ☐ Play a favorite card or board game
- ☐ Choose somewhere you'd love to travel and plan your imaginary day there
- ☐ Put on music and make dessert together
- ☐ Watch something you've both been saving
- ☐ Sit somewhere you don't normally sit and just talk
- ☐ Do nothing but enjoy the moment

POUR & TALK

A few conversation prompts to go a little deeper.

♥ If we could disappear for a weekend tomorrow, where would we go?

♥ What's something we should make more time for?

♥ What's one little thing that always makes you happy?
